Inventor Scavenger Hunt

Using your knowledge of objects, materials and properties of materials from this term, go on a scavenger hunt around the house and garden to see if you can find different materials.

Clue	What did you find?
Find something you can turn.	
Find something that is bumpy.	
Find something that is metal.	
Find something you put together.	
Find 3 things that are round.	
Find something you twist.	
Find something shiny.	
Find something you can roll.	
Find a tube.	
Find 3 things that are squishy.	
Find something transparent.	
Find something that can bounce.	

Once you have found all of these. With your parents permission, become an inventor and see what you can make with the items.
