Thursday	Prediction	https://www.bbc.co.uk/iplayer/episode/p0102qfj/room-on-the-broom	Where do you think the witch and her new friends went? Did the meet anyone else on there adventures? Write about where the witch has gone by creating a new ending to the story continuing the witches adventures. You could even draw a picture to go with it.
Friday	Summary	https://www.bbc.co.uk/iplayer/episode/p0102qfj/room-on-the-broom	In your own words, summaries the story. To make it even trickier, try and use less then 30 words.

Community Activity

Activity	Information
<p>Paint stones or rocks with rainbows</p> 	<p>In the summer holidays we saw people hiding stones with different pictures on and books for people to find. We thought it would be a nice community activity to paint stones and/or rocks in rainbow colours. When you are out on your daily walk leave them around village for others to find and see.</p> <p>However, do not pick them up and re hide them leave them there for the next one to see.</p> <p>If you find one send us a picture on Class Dojo, Facebook or via e-mail.</p>

Activity	Information
<p>Light A Candle and say a prayer</p>	<p>Each Thursday at 7.50pm we will be lighting a candle and say the Lord's Prayer. We thought this would bring us together as a community allowing us time to prayer followed by celebrating our key workers with the 8pm clap.</p> <p>Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done; on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For thine is the kingdom, the power and the glory, for ever and ever. Amen.</p>

Grow a rainbow experiment

Equipment

- Kitchen roll
- Coloured pens
- Two short glasses half filled with water

Before you start the experiment, complete task 1 on the next page.

Method

1. Cut two long strips from the kitchen roll.
2. At each end, use the felt-tip pens to colour a rainbow about half the length of your little finger. Can you remember the colours of the rainbow?
red orange yellow green blue indigo violet
3. Carefully place each end of the kitchen roll into the glass making sure the rainbow part is slightly submerged.
4. Make sure you record what happened

Grow a rainbow experiment

Task 1

In your own words, explain what you think will happen? Can you begin to explain why?

Task 2

Use the instructions to complete you experiment.

Task 3

In your own words, explain what happened in your experiment? Why do you think that happened?

Task 4

If you were to complete the experiments again, what would you change (a variable)?

If you wanted to, you could complete the experiment again changing your variable and see what happens.
