Community Event

Activity	Information
Light A Candle and say a prayer	<p>Each Thursday at 7.50pm we will be lighting a candle and say the Lord's Prayer. We thought this would bring us together as a community allowing us time to prayer followed by celebrating our key workers with the 8pm clap.</p> <p>Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done; on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For thine is the kingdom, the power and the glory, for ever and ever. Amen.</p>

Christian Aid Week 2020 Children's activity sheet

Onesmus is able to stay in school, thanks to the new water dam near his home.

Onesmus is 15 years old and lives in Kitui, Kenya. He loves studying and hopes to become a teacher one day.

Every day, after school, Onesmus walks for half an hour to collect water from a nearby dam for his family. The dam was built by Christian Aid. The shorter journey to fetch water helps him to do well at school.

'Before the earth dam, we had to walk to a river far away,' he says. 'It took us three hours to walk there. I didn't have enough time to do my homework. Now we have the earth dam, I am happier.'

Onesmus uses the water from the dam to grow tasty fruit at home, like avocados and pineapples.

Sadly, as a result of climate change, a lot of plants in Kenya don't get enough rain water and can't grow.

'It hasn't rained properly for a long time,' he explains. 'When it rains, I will feel happy.'

What grows in your garden? Can you draw a garden filled with fruit like the ones Onesmus grows?

Michael Junior holds a tree sapling he is growing.

Onesmus is teaching his nephew, Michael Junior, how to plant a tree sapling, and water it every day, so it can grow tall, strong and green.

Onesmus takes great care to water his plants because he knows how important this is.
