WRITING WORDS

Your child should write the word that matches the picture. You may need to say the word more than once for your child. They should be encouraged to say the sounds as they write the word down.

		
— — — —	— — — —	— — — —
		
— — — —	— — — —	— — — —

Can you write a sentence using one of these words?

TRACKING

This activity is to support left to right directionality. Ask your child to find the words/letters that are mixed up with other letters and words in each section. Encourage your child to move their finger under the letters until they find the word/letter they need. They could then circle the word/letter once they have found it.

SENTENCE BUILDING

Cut up the words in each sentence, one sentence at a time. Ask your child to read each word and put them in order so they make sense. If your child needs a little help, dictate the sentence for them one word at a time. Then, they can stick the words on a piece of paper. Once they've done that, get them to read the sentence again.
