

St. Michael's C of E Primary School
Ongoing Activities

I love seeing your work so if you want to send anything in you can do this via Class Dojo, on Facebook or e-mail us with what you are doing.

Subject	Links	Ideas
Writing		<ul style="list-style-type: none">• Literacy Planet• Write daily Dairy entry• Write your own twist on your favourite fairy tale, for example 'The Three Little Wolves and the Big Bad Pig.'• Create an information text about a habitat of your choice.• Write your own poem about Spring.• There is a new 10 minute writing challenge every day, hosted by a different children's author. They are fun, inspirational and perfect for home learning. Write your 10 minute writing challenge in your home learner. Find the appropriate links below.
Maths	Multiplication and Division	<ul style="list-style-type: none">• Mathletics - 5 tasks• Practice your 2, 5 and 10 times tables.• Number bonds to 10 and 20.• Find fractions of shapes around the home and fractions of different amounts.
Authorfy	Full video http://authorfy.com/10minutechallenges Join https://authorfy.com/	Everyday there is a new 10 minute writing challenge every day, hosted by a different children's author. They're fun, inspirational and perfect for home learning 📖 Write your 10 minute writing challenge in your home learner.

St. Michael's C of E Primary School
Book - Year 1

We would like everyone to watch *The Secret Sky Garden* by Linda Sarah and Fiona Lumbers and answer a question a day on the book.

	Activity	Website	Information
Monday	Prediction	https://www.youtube.com/watch?v=Gboe9eY6-1q	Why do you think Funni loved being at the old airport car park?
Tuesday	Vocabulary	https://www.youtube.com/watch?v=Gboe9eY6-1q	When Funni cleaned the car park there was a 'carpet of litter'. How much litter do you think there was? A lot or a little bit? Can you explain why you think that?
Wednesday	Inference	https://www.youtube.com/watch?v=Gboe9eY6-1q	Where was Zoo to first notice the Sky Garden?
Thursday	Retrieval	https://www.youtube.com/watch?v=Gboe9eY6-1q	Find three things Funni liked to do in her sky garden.
Friday	Prediction	https://www.youtube.com/watch?v=Gboe9eY6-1q	Do you think Funni and Zoo are happy now they both play together? If you were to make your very own sky garden, what would you do there?

St. Michael's C of E Primary School
Ideas / Competitions / Events

Competition

Activity	Information
Create a unique way to promote handwashing!	<p>Win £500 for your Primary School</p> <p>Kids aged 5-11 can win £500 for their school in the MedicSpot creative competition. Share creative ideas to help encourage frequent hand washing (posters, videos etc) by uploading them to the competition website. Ten runners up win £100 for their school. Closing date is 30 June 2020.</p>
Young Geographer of the Year 2020!	<p>This year's Young Geographer of the Year competition gives young people the chance to explore the potential that geography holds. Although we might all be confined to our homes, and doing #geographyathome, we are asking young people to explore their wider geographical horizons by providing entries to our Young Geographer of the Year competition and explore the geography of: 'The world beyond my window'</p> <p>We are interested in entries that explore the human and physical geography of places that exist beyond a young person's window, be it locally or further afield. We want to know how young people's lives are connected to and influenced by these places - be the connections physical, digital or emotional. We also want to understand how geographical processes in the physical and human worlds have created these places and might be changing them.</p> <p>The deadline for receipt of all entries is Tuesday 30 June 2020 at 5.00pm.</p> <p>Find out more information about what you need to do to enter here: https://www.rgs.org/schools/competitions/young-geographer-of-the-year/2020-competition/</p>

St. Michael's C of E Primary School
Foundation Subject

This week we are focusing on Geography

Ideas	Links
Use this link https://dfsresources.edina.ac.uk/sites/default/files/downloads/scavenger%20hunt.pdf to go on a scavenger hunt outside, in your garden or from your window. Then use Digimaps to locate your house and add photographs from your scavenger hunt. You will need to register for Digimaps but registration is free until July!	
Keep a weather diary. Every day go outside and make a note of the weather, this could be drawing a picture or writing a sentence, or both!	
Create a map to chart the journey of a story book character e.g. Bear Hunt, The Little Red hen etc	
Draw a map of your garden. Find different signs of summer and plot them on your map in the correct place. For example, flowers, birds, animals etc.	
Find human and physical features on your daily walk. When you get home, could you choose your favourite and draw it?	
Research a different country. Can you find it on a map? What is different about this country to where we live? What is the same?	
Go on a walk and visit a river/pond. Go pond dipping with a net, what did you find? You could learn about the life cycle of a frog from frog spawn to frog!	
Explore the impact of climate change on our planet, through a selection of object stories. https://the-earth-museum.maps.arcgis.com/apps/webappviewer3d/index.html?id=f8ed1fc5f0c744e391a604154ecc988f	
Test your skills and knowledge by playing a range of interactive games here.	https://world-geography-games.com/world.html

St. Michael's C of E Primary School
Ideas for the week

Here are some ideas you might want to do each day. Share your work with us.

	Activity	Website	Information
Monday	World Oceans Day.	https://youtu.be/IIP3GZ7OJII - Somebody Swallowed Stanley https://youtu.be/nWjKF3R-AL4 - Little Turtle Turns the Tide https://youtu.be/sZW2ByM623g - All the Way to the Ocean For more fantastic activities look at the link below: https://worldoceanday.school/	At 1pm join author Lauren Davis as she tell her beautifully written story Little Turtle Turns the Tide. Think about how the animals are affected and how habitats have changed. Draw a poster to raise aware of plastic pollution and identify ways people can help reduce their plastic and help the oceans and their animals.
Tuesday	Create a treasure map		Hide some treasure in your home or your garden and then create a treasure map that leads to the treasure. Can someone in your family use the map to find the hidden treasure?
	British Flower Week	https://www.dkfindout.com/uk/animals-and-nature/plants/parts-flower/	Outline the parts of a flower. Use the link and other sources to draw and label all the parts of a flower.
Wednesday	Local Fieldwork	https://www.3dgeography.co.uk/rainforest-dioramas	On your daily walk, look closely at the environment and animals' habitats. Create a habitat in a shoebox. Choose a habitat and think about all the things that you would find in it and then have a go at making a 3d replica.
Thursday	Learn about life cycles	https://www.science-sparks.com/minibeast-lifecycles/  <p>Butterfly Life Cycle Craft from BuggymatBuddy.com</p>	Read the story The Hungry Caterpillar and learn about the life cycle of a caterpillar. Alternatively, you could look at chicks, frogs or even plants! You could draw each part of the life cycle and label it or use a paper plate to show each stage. If you are learning about butterflies why not try make a static electric butterfly using this link https://www.flipsnack.com/dynamicearth/make-a-static-electricity-butterfly/full-view.html

	Activity	Website	Information
Friday	Research and compare Durham and Tokyo		Research 5 facts about Tokyo and research 5 facts about Durham. Develop a small presentation to compare Tokyo and Durham.

St. Michael's C of E Primary School
Rights Respecting

Article	Website	Information
<p>Article 19</p> <p>Protection from violence, abuse and neglect</p> <p>Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and bad treatment by their parents or anyone else who looks after them.</p>	<p>https://www.unicef.org.uk/rights-respecting-schools/resources/teaching-resources/guidance-assemblies-lessons/article-of-the-week/</p>	<p>This flexible resource is intended to provide you with some easy to use, appropriate rights-related learning to share with your children.</p> <p>Please use the activities on slides 7 and 8 as these are for primary school children.</p>

**St. Michael's C of E Primary School
World Class School**

Mr Houghton sent a letter out which explained this. If you need any further help please get in touch.

Subject	Information
World Class School	Each day choose a green "We are..." characteristic to complete your 'World Class Diary'. You are required to do the following: - <ul style="list-style-type: none"> • Draw, paint, collage yourself doing, showing or being the green characteristic. • Label your picture (or ask an adult to help) that explains the picture and how you are doing it or being it. Tick off the completed green "We are..." characteristic.

Tick each characteristic once completed in your 'World Class Diary'.

"We are..." characteristics									
good friends		helpful		responsible for our environment		wanting to be the best we can be		caring	
honest		interested in lots of different things		ready for our next steps		enthusiastic and excited about learning at school and outside of school.		proud of our schools	
"We are good at..." characteristics									
listening		learning from mistakes and not giving up		thinking		communicating		leading	
taking risks		researching		planning		improving our work		problem solving and coming up with solutions	
working with others and on our own		coping with change		imagining the future		understanding how we feel about things		understanding how other people feel about things.
