Foundation Subject

This week we are focusing on PE - add any ideas of PE that would be good for everyone to do

Ideas	Links
Take part in some PE activity cards that are available for all areas of the PE curriculum.	https://www.youthsporttrust.org/pe-home-learning
Chance to Shine upload physical activities and games each week. Stay active whilst at home and develop some of your fundamental movement skills.	https://www.chancetoshine.org/staying-active-during-the-covid-19-outbreak
Take the Royal Opera House to your house! Unleash your creativity as each week there is a new activity to get you moving and to help you stay active.	https://learning-platform.roh.org.uk/create-and-learn/
Here is a document from the Scottish Association of Physical Education. There are lots of physical activity challenges. How many can you complete?	https://education.gov.scot/media/p2npeimj/nih145-home-learning-challenges.pdf
Visit the Premier League Primary Stars website and star active. Learn your times tables whilst moving with super movers, complete some premier league inspired English and maths or learn all about health and wellbeing.	https://plprimarystars.com/home-learning
Listen to your favourite piece of music and create your own dance routine. Can you include various ways of travelling, a roll, a jump and a balance?	
Try some yoga with the cosmic kid's app or website. Go on many adventures whilst controlling your breathing and engaging in some calming activity.	https://www.cosmickids.com/
Download the 'Go Noodle' app on android or apple and get off the couch. You can play games, complete quests and earn treasure but there is a catch... You must use your body and get active.	https://www.gonoodle.com/blog/gonoodle-games-movement-app-for-kids/
Take part in some virtual school games by following this link and choosing a sport or activity.	http://www.thinkactive.org/cyp/school-games-virtual-challenge/
Sign up to IM, it is free for parents. Receive new activities to increase engagement with physical activity at home each day.	https://imoves.com/imovement-signup
Take part in a range of active math and literacy lessons that are consistent with the curriculum previously taught in school.	https://www.teachactive.org/2020/03/teach-active-homework-free-for-parents/
Create your own obstacle course in the garden and time yourself. How long does it take to complete a lap? Can you beat your score? Can you complete two laps in half of the time?

Ideas for the week

Here are some ideas you might want to do each day. Share your work with us.

Check calendar - is there anything coming up on these days?

	Activity	Website	Information
Monday	British festival of archaeology	https://www.youtube.com/watch?v=hO1tzmi1V5g	Ancient Egypt was discovered by archaeologists. Find out some facts and make a poster/powerpoint/newspaper article about your favourite part of the Ancient Egypt.
Tuesday	Love parks week	https://www.keepbritaintidy.org/get-involved/volunteer/litter-heroes	As it is 'Love Parks Week', take a walk to your local park. You could pick up some litter and join the Litter Heroes ambassador, Wayne Dixon, in making a difference to our environment. Additionally, you could create a poster to warn people about the consequences of littering and share it on twitter using the hashtag #litterheroes.
Wednesday	Speech marks	https://www.youtube.com/watch?v=MpIVx3wDwd4	Create a small dialogue of speech based from something that has happened. Like a family dinner or something you have watched on TV. Make sure you remember the rules of speech.
Thursday	Reading Together Day	https://www.youtube.com/user/artificedesign	Choose your favourite story and retell it to your family. Practise a few times and try and make you retell it with suspense and excitement. As a challenge, try and put on some voices.
Friday	Create a timeline		Create a timeline of your life or your family from when you were born and including all the interesting things that have happened. It might have been a new cousin in the family, starting a new school or joining a team. Put them in time order.

Rights Respecting

Article	Website	Information
<p>Article 29</p> <p>The goals of education Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures and the environment.</p>	<p>https://www.unicef.org.uk/rights-respecting-schools/resources/teaching-resources/guidance-assemblies-lessons/article-of-the-week/</p>	<p>This flexible resource is intended to provide you with some easy to use, appropriate rights-related learning to share with your children.</p> <p>Please use the activities on slides 7 and 8 as these are for primary school children.</p>
